

Timken C-Power Multi-Point Lubricators

Warnings and Cautions

www.bearing.sg

WARNING

Failure to observe the following warnings could create a risk of serious injury.

Safety During Installation and Maintenance

All work stations and traffic routes must be safe and free of debris.

Follow all regulations and guidelines when installation or maintenance is performed, particularly under conditions in which there is a risk of falling objects.

Observe all safety and operating instructions when the C-Power is installed or serviced.

Safety When Handling the C-Power LV-Unit

Avoid contact between lubricant and eyes, skin and clothing.

Avoid ingestion of lubricant.

Prevent lubricant from spilling into soil or sewer system.

Observe safety data sheets.

Immediately clean lubricant from floors to avoid slipping accidents.

Use only original C-Power LV-units from Timken.

Safety when Handling Batteries

Avoid contact between battery substances and eyes, skin and clothing.

Avoid ingestion of any leaking battery substances.

Observe safety data sheets.

Do not expose batteries to extreme heat and do not throw into open fire.

Do not recharge batteries.

Observe regulations for battery disposal.

Use only original battery sets from Timken.
